

Conference Year-Round Presents:  
Navigating Multiple Offers – How to Prevail in Today’s Wild Market  
Resources\*

[HighNote](#) is the platform built to help agents stand out and win more business in the most competitive markets. Collect and deliver all your resources in one trackable link. Use HighNote for Listing/Buyer presentations, Offers, Recruitment, and more!

[Propy](#) Offer Management allows agents to take care of offers online while keeping sellers in the loop. Accept, Counter, or Reject offers all on the same page. Make apples-to-apples comparisons of every offer in one place. Get instant text and email notifications when new offers come in, are viewed, or are countered. Communicate 10x better with your sellers and buyers.

[Follow Up Boss](#) makes real estate lead conversion and sales follow up more efficient and automated resulting in our clients making more sales and having the capacity to grow their business in a calm and organized way. Follow Up Boss enables agents to deliver an incredible customer experience, at the speed and volume that today’s real estate businesses require.

[Cloze](#) automatically keeps track of your email, phone calls, text messages, meetings, documents, Evernote, LinkedIn, Facebook, and Twitter. And everything from dozens of other services. And it's all organized for you — by contact, company, meeting, etc. — without any busy work. We'll even grab email signatures, so your contacts are always up to date.

[Paperless Pipeline](#) is real estate software designed and built alongside the country's top real estate brokerages. With the best features, your business will streamline transaction management and real estate back-office functions so that everyone is on the same page.
